AMERICAN A WAR VICTIM.

**Dr. Donnelly, Head of a Hospital in
Serbia, Dies of Epidemic.**

Special Cable to THE NEW YORK TIMES.

LONDON, Saturday, March 13.—A
Daily Telegraph correspondent, in a
mail dispatch from Nish, dated Feb. 22,
mentions the death from an epidemic
disease, of Dr. Donnelly, chief of the
American Hospital at Gevgelija, Serbia,
near the Greek frontier.
